The retreat was composed by Dr. Theresa Burke, author of the Rachel's Vineyard Retreats for healing after abortion.

The retreat had a deep spirituality combined with a sound psychological foundation. It created a blessed, safe oasis of healing. Words cannot really do justice to the grace and healing of this wonderful experience. It was a journey into the mystery of my own soul. I was fascinated by the retreat and speechless at the depth of the growth and healing it facilitated. The commitment, love and compassion of the team and participants was awesome!"
